About Me

- Assistant Director of Development at International House since 2009
- Previously worked at Third Street Music School Settlement, New York University and The Jewish Museum
- What's my experience in stewardship?

The Key Question To Ask About Elements of Your Fundraising Efforts. . .

“How can this be used to steward donors?”

- o How have I used this strategy in my own work?

How Can You Use These Ideas In Your Work?

- o What resources do you already have at your disposal?
- o Can you add something to them that would also allow you to steward donors?
- o What elements of a stewardship program can you add at a low cost this year? Next year?
