ABOUT YELLOW THUNDER

We were going to call it Rig #1, but we realized something this impactful needed a better name. It's loud and it's yellow so we're calling it Yellow Thunder.

YELLOW THUNDER DRILLING RIG

Thousands of you joined the [September Campaign](#) to fund a drilling rig fleet so our local partners in Ethiopia could drill more wells. We promised when the rig was on the ground, we'd track it on a map and show you proof of it in action. Here, you can follow the rig's activity and see all the fundraisers and donors who made it possible.
